Dear Tom:

In reference to my phone message I sent you today, I would recommend that Tony L. Lechner should be added to the list of those receiving 104(e) letters on the basis of his current ownership of property in Dead Creek. Monsanto's historical title search document indicates that Mr. Lechner is owner of tax parcel #1-35-200-034. The property is located at the north portion of Dead Creek Segment B and is occupied by Metro Construction Equipment, Inc. Tony Lechner's address is:

153 Bon Chateau
St. Louis, Missouri 63141

It should also be investigated whether or not Walter Allen (103 Walnut) owns property in the Creek. Please call if you have any questions.

Sincerely,
